

What Is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Jointly Developed with Parents

The parents at Highland Park Senior High helped develop this Compact for Achievement. School wide meetings are held each year to update the compact. Parents are welcome to contribute comments at any time. For more information on the Highland Park Senior High compact please contact Kim Sabo, Parent and Community Liaison at (651) 744-3940 or kimberly.sabo@spps.org.
